## Education

---

University of Florida (UF) - Gainesville, FL

Spring 2027

Bachelor of Science in Computer Science

GPA: 3.93/4.0

- **Relevant Coursework:** Programming Fundamentals I and II, Intro to Computer Organization, Discrete Structures, Engineering Design and Society, Computational Linear Algebra, Calculus II and III

## Skills

---

**Technical:** C++, Python, SFML, Pygame

**Languages:** English (Native), Vietnamese (Speaking)

## Projects

---

Minesweeper C++, SFML

Spring 2024

- Replicated a playable Minesweeper application, creating a modular, graphical interface using SFML. The application includes a pausable timer and tracks the 5 highest scores in the leaderboard menu.

Course Name Web Scraper Python, Selenium

Spring 2024

- Created a program that scrapes the name of a course with a provided academic term and course code from the University of Florida Schedule of Courses to help build a course connector during a hackathon.

Image Processor C++

Spring 2024

- Created a program that manipulates image data using user-inputted files and methods, such as multiplying, adding, scaling, and flipping, with the command line interface.

Sudoku Python, Pygame

Fall 2023

- Built the back-end and implemented the front-end graphical interface of a sudoku program in Python using the Pygame module in a team of 4.

## Leadership / Involvements

---

Society of Asian Scientists and Engineers (SASE)

Fall 2023- Present

SASE Interns

- Illustrated the front design of a shirt that was sold to 40+ individuals..
- Organizing a fundraising event and selling 40+ self-designed keychains and designed 2 social media posts as promotion.
- Designed graphics for 2 mentor-mentee bonding events.

Spring 2024 Banquet Marketing Committee

- Designing promotional content to promote SASE's end-of-semester Spring Banquet.

UF First Year Leadership Program (UFFLP)

Fall 2023- Spring 2024

Spring 2024 Asian-American Student Association Olympics Advertising Committee

- Created short-form video content to promote a sporting field day event, amassing 20+ participants.
- Organized schedules for on-campus promotion for the rest of the committee members.

## Work Experience

---

Dunkin' Donuts - Crew Member, Part Time

July 2023- Aug 2024

- Crafted and served drinks and sandwiches in a timely manner.
- Accepted payments, operated POS system, upheld cash handling procedures and accountability for all transactions to maintain 100% accuracy of monetary transactions.

## Awards

---

Herbert Wertheim College of Engineering Dean's List - Fall 2023, Spring 2024

Florida Academic Scholar
